The Mason LINE

by Chan Mason

Now that everybody wants to get into the act regarding incorporation, may we make a statement or two: Incorporated or not, this is still a pretty durned nice place to live, but the reason that makes it so is because of the people that live here—so even though the issue is vital and the arguments will wax hot and heavy, let's try to retain our sense of humor, weather the storm still friends even tho we think the guy next door is an awful dope for thinking the way he does. He thinks the same thing about us. And who knows, perhaps he's right?

Fire Chief Pappy Hensley has been invited to present his Junior Fire Chief's Program at Hutchison, Kansas, at their annual State Fire Convention.

Pappy will be flown to and from the convention at their expense. The Junior Fire Chief's program started in our schools last year and has attracted nationwide attention.

Mary Hussey was telling Doc Swenson that she succeeded in putting the Judge on a 14 day diet—but he ate it in three days.

The L. G. Fire Commission would like to set the record straight as to where its equipment can be used. A 500 gallon pumper, a 1000 gallon pumper and a pickup are owned by the District and cannot be sent out of the L. G. Fire Protection District except on orders of the Chief acting upon the authority of a Mutual Aid Agreement held with La Mesa Fire Department and Spring Valley Fire Protection District. A new 1000 gallon pumper owned by the Office of Civilian Defense was recently presented to our District for our use within our own area. The equipment is to be used outside our District only upon orders from the Office of Civilian Defense.

Superintendent of Schools Byron Netzley estimated a year ago that our school enrollment would be 2800 by this September. Last week's count was 2790. That kind of accurate prognosticating has enabled the district to keep almost even with the continual bugaboo, "Double Sessions." If the contractors can keep 'em rolling on the additions now under construction, we should be entirely off double sessions by November. Most districts are not so fortunate, however, as in the case of Los Angeles City Schools — 400 schools, 90 on double sessions.

Bad Check Artists In Lemon Grove

Bad check artists are operating in the Lemon Grove area again, local business people were warned.

Spurious checks are being drawn on the Quality Tool Works, usually in the amounts of $55 to $66, by a man, about 38 years of age, 5 feet, 10 inches tall and weighing about 180 pounds.

According to Grant Hadley, operator of the tool firm, about 25 to 30 of such checks have been passed by a man who signs either as Thayer or Rasmusson.

Bad checks are also being drawn on the Standard Iron Works account, Hadley reported.

WATER BILLS STILL ACCEPTED AT LINDLEY'S

Lindley's Owl Rexall Drug Store will continue as collection headquarters for water bills the Water Works announced today.

Lindley's last week sold to the present owners, the Lemon Grove Drug Company.

Business Women's League Fall Party Will be Held Saturday

Reservations were being taken at the regular 12:30 luncheon meeting, of the Lemon Grove Business Women's League, at Michael's Steak House, September 16. The occasion, their annual "Autumn Ball." Scene, Casper's Ranch Club, El Cajon. Cocktails will be served from 7:00 p.m. to 8:00 p.m. Dinner at 8:00, followed by dancing 'til 1:00. Music to be furnished by the "Melody Aces." Admission $3.00 per person or $6.00 per couple, not $5.00 per couple as previously announced. Letters of invitation have been extended to the Lions and Kiwanis Clubs of this area. Reservations may be made with the reservation chairman, Ethyl Oyler, HO 6-0746, or with any B. W. L. member.

President, Mrs. Alfred H. Cole, announced that tickets would be on sale next week for the Child's Play House, now being constructed by the husbands of club members. The price of the tickets are $1.00. Proceeds to be used for the development and maintenance of the Plaza in downtown Lemon Grove. December 24, 1954, at 3:00 p.m., will be the time of the drawing, to be held at the Plaza Center. Previous to the drawing, the Play House will be on display throughout the Lemon Grove shopping district.

Welfare Chairman, Mrs. Bob Runyon, told members that a gift had been sent to Publicity Chairman, Mrs. Vini Sozzanni, who has been in the hospital for the past two weeks.

It's Murder—Kiwanis Slaughter Lions 31-6

An unstoppable Kiwanis baseball team unlimbered its big batting guns Sunday and blasted the hapless Lions Club 31-6 in the third annual baseball classic.

About 200 fans, about half of them children, attended the game which poured more than $500 into the Lemon Grove Swimming Pool fund, carrying their total to above $3,000.00.

Homeruns were the rule rather than the exception with Walter Long poling two, plus a varied assortment of triples and doubles. Bob Sutton, Frenchie Faucher and Paul Reynolds also slapped for the circuit. A sterling brand of umpiring was turned in by Eddie Euratt, the Padres' pitching star.

The Business Women's League, the Lionesses and the Kiwanianes and the Woman's Club Juniors all took part in gametime frivolity. An oldtime beauty parade by the Juniors failed to slow the Kiwanis drive. A clown, supplied by the Lions, flogged the umpire with a sponge rubber club each time he called a decision in favor of the Kiwanis.

A "first aid" jeep brought a king sized bourbon bottle and a jug of Hadacol to the Lions players to attempt to stem their slump. As a last resort, the Lions rang in a team of youngsters aged about 10-12 but the die was already cast and the winners could not be overtaken.

In the pre-game ceremonies, trophies were given to summer recreation league winners. A flag was presented to a new cub pack. Laura Tarditi and John Ott accepted it for the troop. The flag had been flown over the capitol building in Washington at the direction of Congressman James Utt.

In the drawing, the grand prize, an electric blender, was won by Wanda Bemis. Other prizes offered included barbecued spare rib dinners at Pal's; tickets to the Grove Theatre and a parakeet.

Dr. Thayer Crow and Grant Hadley handled the announcing

'Shot' Spots to Remain Open Extra Hour Sunday

Saloons may remain open an extra hour when Daylight Savings Time is discarded September 26.

Clocks are to be set back one hour and sales of alcoholic beverages may continue until 2 a.m. when Standard Time arrives.

Saloons lost an hour at 1 a.m. Sunday, April 25, when Daylight Savings Time began and clocks were set ahead one hour. On September 26 that hour will be returned.

Rev. Bartlett is Attending Episcopal Conference

The Rev. John Phillip Bartlett, vicar of St. John of the Apostle, the Episcopal mission in Lemon Grove, with a new church edifice at 2659 Hardy Road, attended the annual three-day Clergy Conference of the Episcopal Diocese of Los Angeles this week.

The fall conference is called annually by the Rt. Rev. Francis Eric Bloy, bishop of Los Angeles, for the mental and spiritual refreshment and communal fellowship of more than 200 Episcopal clergymen in Southern California.

These are wonderful times, but most of us won't admit it for 15 or 20 years—CHANGING TIMES.

One of the first of the few Lion runs crossed the plate in the first inning of the Lions-Kiwanis game when Don Johnson scampers home after a team-mate's bingle. That's no Hawaiian luau in the foreground, it's Kiwanis catcher Frenchy Faucher.

The Dixon LINE

By Friend Dixon

The writer of the letter quoted below, who is a product of Lemon Grove, does not know Dixon, but we have watched him grow up from his elementary school days through high school. We wish him Godspeed on his overseas assignment.

Dear Friend Dixon:

Re: Your column in the 26 August issue of The Review. The Dixon Line is stretching further than you think. The paragraph concerning Brigham Young and the group insurance plan that you had in your column a while back, got many, many chuckles in the barracks of Company F of The A S A Student Battalion here at Fort Devens, Mass.

My Mother sends the Review regularly, and I look forward to reading the Dixon Line. A cheer for you, and thanks for the entertainment. I hope I'll be able to continue reading your column when I go overseas in November.

This particular army post seems to have more than its share of rebels, and they all got a kick out of the good natured feud between the Mason and the Dixon Lines. Incidentally, a certain Private from Georgia claims that "the difference between a rebel and a louse is the Mason-Dixon Line." Who knows? At any rate, I'm glad to be a Californian, and out of the batle.

In appreciation for the pleasure derived from your column, I am

Respectfully yours,
Alan Batchelder

formerly of 2242 Lawton Dr., Lemon Grove, Calif. now with Co. FASA Stu. Btl. A SA Troop Command, Ft. Devens, Mass.

TELEPHONE TIME MACHINE TO BE 'ON TIME'

There will undoubtedly be general confusion when daylight savings time returns this Sunday, but Pacific Telephone's Time Machine will make the switch as exact and clear as the voice you hear.

In the 10 seconds between 1:59.50 and 2 o'clock, announcements, the machine will be switched back an hour. The voice will continue as faultless as ever.

There will be about 60,000 calls on Sunday to check the new time according to Forest Dokken, Lemon Grove Telephone Company manager in La Mesa.

The normal daily average is equipment can handle 180 calls a 25,000. Dokken says that the minute, since the voice is tape recorded there is no need to say "thank you".

'Riot Squad' Needed for Rotary Program

The "fun and festivities" committee of the Lemon Grove Rotary Club actually had the riot squad out to pacify elderly but otherwise discreet visiting members from La Mesa at their interclub meeting Monday at Michael's.

Andy Anderson, dean of area Rotary, was shoved to the meeting in a wheel chair to "give the La Mesa visitors a feeling of hominess."

A casket, claimed to be one of the permanent fixtures at La Mesa, was delivered during the program. "It is such a comfort," the visitors reported.

The note of seriousness left at that point and Sheriff Rigley and his riot squad tore into the meeting demanding the whereabouts of a "live cadaver" which turned out to be a blonde dressed in practically very little and found to be hiding in the casket. She settled on the lap of Enoch Anderson, the romantically reluctant undertaker.

An argument concerning incorporation between Max Goodwin, editor of the Review, Harry Griffin and Meyer Zung, president and vice president respectively of the Rotary, waxed hot and heavy. Amid considerable "name calling" Zung whipped out a .45 automatic and "shot" the editor, thus winning the community's first argument against him.

Richard Pourade, editor of the Union, who was guest and speaker, and Doc Lake, East County editor for that paper, program chairman for the day, nearly suffered apoplexy when the gun went off.

Visibly shaken, Pourade nevertheless made a good point in his speech on objective reporting.

Such activity is sometimes normal prelude to Rotary programs.

Bulen Names Local Committee

George Casteel, Steve Westover (who writes the Dixon Line for the Review), Mrs. Paul Harvey and Hubert Miller have been named to the Lemon Grove re-election committee by Ed Bulen, Republican nominee for 77th District State Assembly. His campaign manager is Herb Livers of Escondido.

Bulen said that his committees represent not only the Republican voters in his District but also Democrats "who are unable to follow the leadership of Mrs. Elizabeth Snyder, Chairman of the Democratic State Central Committee and William Bonelli, member of the State Board of Equalization."

HEARTLAND PLAYERS WANT MORE MEMBERS

The re-organized Heartland Players Lemon Grove's little theatre group, this week announced a plan to rewrite the by-laws, elect new oficers, and continue their drive for new members.

Any interested person may attend the next meeting October 4 at Junior High School room 12. For additional information call HO 6-7247.

A rumor of long standing has been proven true with the announcement this week that a San Diego regional shopping center would be built on College Avenue near Broadway by George A. Scott and the Walker-Scott Company.

Scott said that 30 to 40 retail outlets would be included in the 62 acre site and that a department store, and a junior type retail store (such as Penney's, but not necessarily that firm) would be included.

Parking facilities for handling more than 10,000 cars per 8 hour day has been planned.

Cost of the land is reputed to have been about a quarter million dollars and grading and site preparation will account for another quarter million.

Construction will start this year and the project will open to the public in about 18 months, Scott said.

"There are 30,000 more persons in this area than there were in all of San Diego when I first opened there," Scott pointed out. "In addition to serving the consumer, which is our primary function, our project should benefit most business firms now in the area," he said. "Consumers will be able to get complete selection and variety, as well as enjoy the benefits of comparative prices," he added.

"Alert merchants need have no fear of competition," Scott said. He indicated that a higher ratio of shoppers would gravitate to the Lemon Grove area because of the shopping center.

The announcement bears out tips the Review has published from time to time concerning the multi-million dollar retail development. Scott told the editor of the Review, in an off-the-record discussion at a dinner he gave at La Jolla Beach and Tennis Club several months ago that he was about to enter the Lemon Grove area market.

A local man, Norman Lighthart, handled much of the detail of the sale. Studies of the general area were thoroughly digested before the negotiations were completed.

"Rapidly expanding population of this community and the unusually large percentage of home owners give adequate assurance of purchasing power capable of supporting a major shopping center," Scott stated.

The new center will have more than 125,000 square feet of floor space in one department store, plus various types of apparel, appliances, food and drug stores, and other shopping facilities.

St. Philip's Harvest Festival to Be This Week

St. Philip's Episcopal Church is holding its Harvest Festival Friday, from 1 to 9, and on Saturday, from 10 to 10, on the church grounds, Palm and Hardy Rd.

Gay booths offer gifts, Christmas cards, home-baked goods, plants and flowers, candy, and a White Elephant table of bargains.

What's Incorporation?

Part II of a Series
By RICHARD MILBRODT

Last week mention was made of the fact that all newly incorporated cities are known as sixth class cities and regulated by a series of laws established by the state legislature.

It may be interesting to note why these cities are known as sixth class rather than by some other name. Originally there were some 29 classes of cities in California, each class determined by the size of population in each city. A different set of laws applied for each class. For example, cities of the third class had three man councils; fourth class cities four men, and so on. Such a system became very complicated as can be readily understood. Ultimately the largest number of cities were sixth class because of their size and the fact that the best group of rules belonged to that category. Then the system was changed, sixth class laws revised and all cities nominally placed there.

All questions submitted by readers will be answered in the first possible subsequent issue of the Review.

Optional Plans

We also mention two optional plans of operation for a city, the manager plan or the council plan. Under the latter each councilman assumes responsibility for one or more departments of the city. He then becomes the head of that department as well as being a councilman. Under the manager plan, one man is responsible for the overall administrative operation of the city. He is given authority to appoint department

The Dimmer VIEW

by Max Goodwin

The common folk like you and me, people who must account for every penny, are taking all this talk of incorporation much more sanely than the "wheels" who operate business and banking in our fair community.

Those of us who are poor, and whom God loves because He made so many, admit the need for a corporate city but ask this simple question . . . how much will it cost?

Now that's the fairest kind of a question and I sincerely promise that the REVIEW will publish a table of costs, and tell what services this cost represents before the issue is ever brought to ballot. It looks, at the moment, that enough signatures have been obtained to hold an election. This should be in December and before November is over an understandable schedule will be offered. There is no secret about the operation of a city, no more than the operation of a household. Whether you rent or own, the more services and luxuries you have, the more your tab will be.

George Scott will be guest speaker at the Lemon Grove Kiwanis Club Wednesday noon, September 29. He will discuss the Community Chest and its needs. He heads the Second Success Drive.

The big boys who run our local business have divided themselves into two camps. One group is categorically in favor of incorporation. The other group says, "I'm not against incorporation—but . . ." and they proceed to explain why we should not incorporate.

It is toward these "but-ers" that these poignant and pointed remarks are aimed today. To these smarter-than-they-pretend rascals I'll pose a simple proposition, the

Peanut Pushed Arross Broadway to Pay Baseball Bet

It just doesn't pay to bet! Bob Heitz, one of the boys at the Lemon Grove Texaco Station pays a baseball bet to Red Caldwell, Lomita Village.

Bet was that Heitz would shove a peanut across Broadway at Main Street if the Padres won the pennant. They did.

Traffic control had to be brought out to permit the bet to be paid but Caldwell admits he would have been the pusher if Hollywood had won.

Pigskins . . . or leather-skins as the case is now, will soon be flying through the air with the greatest of effort. High schools, colleges and universities are polishing up the marred spots of their uniformed mighties and are almost set for battle. Sophomore Ernie Merk of USC, a former Helix High luminary from La Mesa, is right on the trod churning heels of Lindon Crow, present first string halfback. Any slip ups and Merk will be the number one son.

Coach George Shutte is getting more impressed by the day with the spirit and playing abilities his lads are displaying lately. Looks like a good year for the Knights.

Eight returning lettermen are going to have to play a lot of football for St. Augustine High this season. Graduation and lack of experience are the major problems confronting coach John Finan. The Saints have a tough load to shoulder with St. Anthony, a perennial Catholic League powerhouse, Coronado, Chula Vista, Hoover, Grossmont, Helix and La Jolla.

Kearny High invades Helix Friday night, October 1 in the first full length football game of the season for both squads. The game is slated for the Highlander's new stadium with game time at 8 p.m. Although this is not a league game both teams are out for no less than a victory.

—o—

Congratulations . . . are in order to Miss Patricia Mancinelli who recently announced her engagement to Richard Thomas. Pat is a senior at Grossmont this year while Dick is playing the role of alumnus from the same. . . . Congrats to Miss Carolyn Anne Freeman who is now formally engaged to Robert Ward Hicks. Carolyn is a graduate of Grossmont . . . And once more, Congrats to Miss Jacqueline Taylor who is another engaged female and will soon be claimed a bride by Guy L. Fritts. The bride-elect is a grad of Gross. Boy, these Grossmont gals don't waste any time feathering their nests. God bless 'em, though!

—o—

Our Helix High . . . The new and dependable commissioners heading the way for another successful year at Helix are: president, Neal Curtis; vice-president, Bob Beasley; secretary, Jerelyn Taylor; commissioner of finance, Pat Chiville; commissioner of sales, Joan Hale; comm. of public relations, Grace Kellock; comm. of athletics, Dick Dedrick; comm. of cultural affairs, Carol Prasser; comm. of public works, Connie Mastorakos; chief justice, Judy Kuykendall and attornty general, Bill Erickson. Good luck guys 'n gals! . . . This is Helix's fourth year as a high school . . . By buying an a.s.b. card you actually save $14.55. They are worth while! . . . approximately 1900 students are busily slaving away at the books. The attendance jumps around 300 every year . . . I predict Helix will wind up in the third slot in varsity football. I want them to be king but let's don't let our hopes get too rambunctious just because we are affiliated with a supposedly "smaller" league. Grossmont, Chula Vista and Sweetwater are aiming both high and low for Helix's backfield bulldozers.

—o—

Harvey Cohen . . . was recently elected prexy at JC for the fall. Ronnie Smith is veep, Marji Auringer was unanimously selected as the best woman for the office of secretary while ex-Helix'er Monte Rose was elected treasurer. The aforesaid officers are studying at the A and A center at San Diego High.

—o—

Stan Kenton . . . and his fine band was recently viewed by 3,000 fans of his and thoroughly enjoyed! The concert, presented by our own Don Howard and LA's Gene Norman, was titled a success with big letters and proves that jazz can have dignity as well as honk. With Stanly Newcomb's old stars out on their own, Mr. K has formulated a new band that features a crisp brass section and a tempo-keeping drummer named Mel Lewis. Art Tatum at the keyboard proved he still has "it" while he played everything from Bach's long-haired music to London Bridge is Falling Down. All in all, even through the ever creeping coolness of the evening, I feel safe to say that if Kenton was to return next week another 3,000 fans would fill the bowl. Many familiar faces were seen at the concert from out our way, too numerous to mention!

LET'S GROW UP NOT BURN UP
Pleads Fire Chief Hensley

Is this year's slogan for National Fire Prevention Week, it was announced to by Fire Chief H. L. Hensley. Lemon Grove will join with thousands of other communities across the country in observing National Fire Prevention Week which has been proclaimed by President Eisenhower during the week of October 3.

Aim during Fire Prevention Week will be to sell everyone on the idea that Fire Prevention is a life and death matter; that each individual owes it to himself, to his family and his community to think and act fire-safe every minute of the day the year around.

Fire Prevention Week is the oldest and most widely observed of all special weeks, Chief Hensley said. It traditionally includes the anniversary date of the Great Chicago Fire which, on October 9, 1871 took 250 lives and destroyed 17,430 buildings at a direct loss of over $168 million.

One of the best ways to avoid a catastrophe is to have your home or business inspected by experts. Call Capt. Carmody (HO 6-1459) and your fire department can help you spot and correct those unsafe conditions which could cause a fire in your home or place of business.

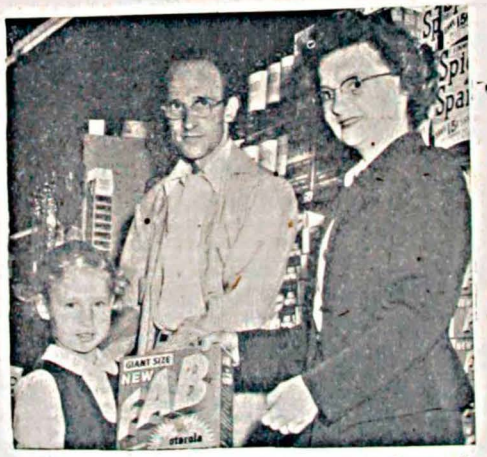
MAYFAIR Shelves are well filled and LOW Priced

It takes a lot of good merchandise to fill the needs of Mayfair shoppers . . . but by anticipating your purchases we maintain complete lines and filled shelves. We take pride in never having to say "We're out of that."

The art of good living is personified in the smiling face of Marvin Ford, in charge of the Mayfair potables department.

Fine wines, beer and liquor, to suit every taste, is stocked. In fact, everything to give a lift to your social function is on the shelves of the beverage department . . . and at prices that add further pleasure to your purchase.



A newspaper mailer's family also puts the stamp of approval on Mayfair in Lemon Grove. Betty and Matt Keating (he's a mailer with the San Diego Union-Tribune), together with their daughter Karene, have been Mayfair shoppers since they first came to San Diego.

"Prices and variety are the things that attract us," said Betty. "There is really nothing else a market has to offer."

The couple resides at 519 Encinitas in Monterey Heights.

"I formerly shopped all the time at Mayfair Market in North Park but now I make the trip regularly to Lemon Grove."

Betty Nelson, with her husband Robert, who live at 4469 Iowa St. in San Diego, leaves no doubt as to her preference in markets.

"There are several things that cause me to come back to Mayfair again and again," Betty said. "Prices, display of merchandise and cleanliness are included in the reasons."

Robert is special agent for the Home Insurance Company.

Linda Vandenberg is the eight year old daughter of Bill and Flo Vandenberg who run the Dutch Cleaners in Lemon Grove.

A third grader, Linda's interest is in school boxes. "Mother buys the groceries at Mayair," she said. "She likes to come here because they have so many things to pick from. She says it's cheaper, too."

"Working at Mayfair makes a guy use his head," is the studied opinion of Ray Arney, stock boy at the market.

"We've got to anticipate what merchandise is going to move fast and get replacements ready. We also must keep an eye out for gaps in our stock and keep the shelves full at all times. People sure buy a lot of stuff from Mayfair," he said.

resolution of which is as simple as the premise. Here it is:

The new multi-million dollar George Scott, and Walker-Scott project to soon be developed at College and Broadway will attract considerable business from Lemon Grove residents. This is as it should be since Walker Scott is a fine and reputable business firm. Since some of this business will be subtracted from the present gross done by many Lemon Grove business firms, that means less income for landlords who lease on a percentage basis. It also means less profit for many who own businesses.

It is reasonable to assume that the smart Walker-Scott business people would have been equally willing to annex to Lemon Grove as a corporate city as to San Diego. What they wanted was the concentrated authority and protection of a corporate government.

I don't want any of these "but" fellows trying to prove that they haven't the brains of a linnet by quoting me as saying here that incorporation would have throttled such formidable competition, because incorporation could not. The inescapable fact is that before negotiations got too far along on the development, the property owners requested annexation to San Diego for the benefits and advantages such a condition offers.

I have spelled out these advantages in other issues of this newspaper and will do it again if the demand becomes great enough but I get damned tired of being a first grade teacher for supposedly smart businessmen who have had this information available to them from the Chamber of Commerce files for the past year and a half.

And while the small group who invariably states "I'm not against-etc." are viewing this new business venture with the flaccid eye of a sea bass caught on a 29c tackle, there are indications that another such area may soon go by the same formula . . . seeking a corporate city to anchor to.

The day may soon arrive when there are so few left who are "not against incorporation—but etc." that they'll have to annex to San Diego, La Mesa, or some other incorporated area, and on the corporate city terms, in order to reduce the terrific burden of district taxes. (For example: the school district. If you take away big hunks of population the school operating cost would reduce only slightly, these costs to be born by the remaining taxpayers.)

When this time comes, these businessmen may have less retail business from which to draw profits with which to pay the higher tax burden. Now I want these guys to tell me how they plan to get around that!

MRS. DOLAN INSTALLED AS MOTHER ADVISOR FOR ORDER OF THE RAINBOW FOR GIRLS

The La Mesa Rainbow Parents' Service Club honored Mrs. Joe Dolan of Lemon Grove with a surprise reception on her installation as Mother Advisor for the La Mesa Assembly of the Order of the Rainbow for Girls at their last meeting, September 14.

Installed as members of the board were Mmes. Laura Crickmore, Valerie Clary, Valerie Loustalet, Dorothy Shaw, Esther Wagnes, Lillian Gaynes, Mary Ann Taylor, Messrs. Clyde C. Clary, Lee Mathews, and Russell Streit. Mrs. Mirva Loustalet, Worthy Matron of the La Mesa Chapter of the Eastern Star, was the installing officer.

The Assembly will now be under the sponsorship of the La Mesa Chapter of the Eastern Star.

TWO DAY SCHOOL WORKSHOP TO DEAL WITH PUBLIC RELATIONS

Local administrators of the Lemon Grove School District will attend a two-day workshop sponsored by the San Diego County Administrators Association at State College this weekend, September 24 and 25. Beginning Friday morning, the program, which is a School Community Relations Conference, will feature Mrs. P. D. Bevil, president of the California Education Study Council, Frank McIntyre, CTA Public Relations Director, and Arthur Corey, executive secretary of the California Teachers Association.

Lemon Grove personnel who will be active in the conference activity include S. K. Solleder, assistant superintendent, who will edit conference reports, and Peg Darroch, junior high teacher, who will serve on a panel dealing with the topic, "How to Tell the Story."

KENNETH ANDERSON TO DISCUSS 'JUVENILE PROTECTION' AT GROVE P-TA

"Juvenile Protection" will be the topic for discussion when the Lemon Grove School P-TA meets Tuesday evening at the school auditorium on School Lane. Beginning at 7:45, the program features a brief business meeting before the main speaker, Kenneth Anderson of the San Diego City Social Service Department. With over twenty years of experience in dealing with teenage boys and girls, Anderson is well qualified to discuss the various aspects of juvenile protection with parents of children of junior high school age.

The musical portion of the program is under the direction of Mrs. Robert Beckham. Room representatives from the 8-3 and 8-4 classes will serve as hostesses for the evening and child care will be provided.

S. D. CHORAL GROUP TO RECONVENE

The San Diego Choral Club is reconvening September 23 and inviting women throughout the county to join. A trained voice is not a necessity, but experience in church choir, high school or college choruses is advantageous. The Choral meets each Thursday at 10:30 in the Central Christian Church at 9th and F st. in San Diego.

NO NOISE IS GOOD NOISE

There'll be a quiet time in the old town every night if the ordinance on loud and unnecessary La Mesa noises is passed by the La Mesa city council late this month.

Longer hair will be in vogue for ladies this fall. The new hats are styled to cover up the short, shaggy cuts while the locks grow out again—CHANGING TIMES.

A radio powered by sunlight

For centuries man has dreamed of getting power from the sun. Perhaps you, too, have wondered about it. Well, now it's happened. Bell Telephone Laboratories has invented a solar battery that directly and efficiently turns sunlight into useful amounts of electricity. It's made from an ingredient of common sand. Even at birth, it supplies enough power to run a small radio set (right) or send voices over telephone wires. Much development remains to be done. But the Bell Solar Battery, used with transistors, offers great opportunities for improvement and economies in telephone service. Research like this helps us bring better telephone service to more people at the lowest possible cost. **Pacific Telephone works to make your telephone a bigger value every day.**

Free booklet for your personal telephone numbers

Here's your handy guide to the local and out-of-town telephone numbers you call most often. By listing numbers you call frequently in this booklet, you'll be able to find them quickly and easily. And when you give the operator the number you want, out-of-town calls go through twice as fast. For a free copy, just call, write, or drop in at our business office.

Notes of the Game:

Arva Piepenbrink was co-ordinator for the swimming pool association.

—o—

Hap Van Nice sold the advertising in the program and racked up about $200 profits for the event.

—o—

Chan Mason, a casualty last year, played a bang-up game without a bobble at third. He also laced a double to left.

—o—

Bob Vaught missed the game's easiest chance when he dropped a ball that was all but handed to him by the roving fielder.

—o—

Frank McKenney slapped the ball to center field but fell down before he could get started toward first. The fielder also fell when he bobbled the ball. McKenney crawled most of the way to first and the fielder crawled ten yards to pick up the ball. Frank out-crawled him.

—o—

John Dail went hitless and also struck out. The umpire thought he was a Lion.

—o—

Jack Durham tripped the center field area like a gazelle.

—o—

Roy Erwin and Bob Swenson wore shorts. Something from Dior. Men's calves are flatter this year.

—o—

Ted Skolley wore a Tijuana baseball league shirt. He pitched like an outcast from the Revolucion League, giving up 53 hits before being relieved by Bob Runyon who pitched tight baseball, giving up only 23 hits in three innings.

Freeborn Cressy turned up after the third inning with his tongue way out. He had been collecting tickets at all four gates. The gates are three quarters of a mile apart.

Vroman Dorman turned up as the game started with his charming wife. It was a tough battle but she talked him out of playing first base.

Ralph Cloyed was to have had part in the ceremonies but he turned up too late, mumbling something about Chula Vista smog.

Pappy Hensley assured an honest drawing by keeping an eagle eye on the squirrel cage.

Record Kiwanis Auction to be Held Saturday

Part of the merchandise to be auctioned Saturday by the La Mesa Kiwanis Club is being inspected by La Mesa Kiwanians Carl Woodruff, Jeff Leheu, Clayton Wright and Ward Howard.

Auction will take place at the corner of Palm Avenue and La Mesa Blvd. Saturday at 11 a.m. Rick Henrickson of the publicity committee says that it will be the greatest amount of merchandise ever offered. Lemon Grove auctioneer Ray Wright will be in charge. A deep-freeze will be given as a prize.

Incorporation?

heads, wide discretion in budgetary matters, and full responsibility for the management of city affairs.

Since the council appoints the manager, who serves only so long as his work pleases the council, the city council in no way should lose final control over the city operations.

Because the Lemon Grove incorporation petition specifies that a manager shall be appointed if the voters approve the forming of a city here, this series of articles will be primarily concerned with the manager plan.

Principally because of the extensive adoption of the manager plan, few arguments have been voiced against it. One was mentioned last week, the high salary usually paid to such a person. Other objections are that too much authority is placed in one individual. Also, some feel that since the council is elected, its members should directly participate in managing the city. One reason given for this argument is that direct participation enables the councilmen to better know what is going on, to keep close tab on the operations, and that the voters can have an easier method of securing specific services.

Council Control

Proponents of the manager plan claim that wide authority has to be vested in one person if satisfactory results are to be achieved, and that as long as the council appoints the manager they still have complete control. It is also stated that high salaries are necessary if competent people are to be obtained. A manager is also justified on the grounds that it relieves councilmen, who are usually just serving part time in that capacity, from the detailed minutae of administration; prevents political tampering with city affairs; and that a good manager can and will keep councilmen fully informed of all the facts they need to know. On the latter point, centralizing administration, it is claimed, allows the council to be better informed on the overall city than if each were involved in administering a specific part of the city.

Open Meetings

The frequency of council meetings is up to the council, but must be held at least once a month. All meetings must be open to the public; "star chamber" sessions being prohibited. The duties of the council are to pass and enforce ordinances "enacted for the well being of the citizens of its city," according to the Government Code. This allows large freedom for the council in considering what to do. Several definite items, however, are required by law and must be done. One of these is to establish a budget each year, establish the tax rate within the legal limit, and provide basic services of police and fire protection. Thus, if a city did nothing else, it would have to provide for police and fire protection. Maintenance and repair of city streets has recently become a municipal obligation, this being one reason for the creation of gas tax refunds to cities.

A fiscal year usually starts on July 1, ending June 30. If this calendar is adopted, law specifies that the budget must be adopted no later than the first Tuesday in June. The tax rate must be set no later than the first Tuesday in August. The tax rate must be high enough to balance the budget after all other revenues are considered. But, the tax rate for sixth class cities cannot be more than $1.00 per $100 assessed valuation for general fund purposes without prior approval of the electorate. If the one dollar tax rate is being used for general fund outlays, a few exceptions exist for which the city council may levy a larger amount without first placing the question on the ballot. The exceptions are to provide operating expense of a library, a retirement plan for municipal employees, and flood control projects within city limits.

Next week we will go more into the detail of expenditures and revenues available to a sixth class city.

Methodists Move To Woman's Club House Sunday

The congregation of the Methodist Church will meet at a new place begining Sunday. All church school and worship activities from this coming Sunday on will be held in the Woman's Club House on Olive and Main Streets just south of the Seventh Day Adventist Church.

For nearly two years, the Methodists have been allowed the use of the Adventist Church for their meetings and they wish to thank the church for their kind cooperation.

At the new meeting place, church school will begin at 9:30 a.m. and morning worship at 11:00 a.m. Rev. Cooke states that the church school has been arranged to take care of all ages with adequate teachers and equipment. Church school will run from 9:30 to 10:35. The period between this and the 11:00 service will be needed to convert the clubhouse from school rooms into a sanctuary.

The seating arrangement for worship will take care of up to 200 people. There will be a church hour nursery provided for all children five years of age or under. Parents will be enabled thereby to attend the worship service.

All Methodist preference people in the Lemon Grove and Spring Valley areas are cordially invited to attend the church.

Indian Nite Set For Juniors

It will be Indian Night for the Woman's Club Juniors Tuesday when Mrs. B. M. Castle and her committee conduct a new members party. On the committee are Mmes. J. T. Mitchell, Bennie Jones, William Miller and Philip Titmas.

Squaw dresses and cottons will be worn to greet the 25 invited

!THE SHOW'S THE THING!

by Bob Turbull

"Drive a Crooked Road," starring Micky Rooney and Dianne Foster, returns to the San Diego area again, showing itself on the GROVE Theater screen! The story, a fairly fiery one, is about Eddie Shannon (Rooney), a pint-sized auto mech whose one 'n only passion is of auto racing. But that isn't all the story. He falls headlong in love with sultry Barbara Mathews (Foster) who has been batting her baby blues at him. A bank robbery follows with Eddie at the steering wheel of the getaway car. Eddie's supposed gal turns thumbs down on him and flees the scene with Steve, her partner in crime. Later she feels sorry for junior and reveals her crime. Eddie finishes the story with car wrecks and bullets! The companion feature is a run-of-the-mill western titled "Silver Lode" and stars John Payne, Elizabeth Scott and Dan Duryea, all of whom show up well in technicolor. "Drive a Crooked Road" and "Silver Lode" will run tonite through Saturday. The Saturday matinee features "Capt. Blood starring Errol Flynn besides the usual serial and array of cartoons.

Sunday through Tuesday, Sept. 26—28, will feature "Crossed Swords" and "Outlaw Stallion." "Crossed Swords stars Errol Flynn and Italy's answer to Marilyn Monroe, Gina Lollobrigida. The pic is in pathecolor. "Outlaw Stallion" stars Phil Carey, Dorothy Patrick and Bill Gray and is technicolor.

Watch for Spencer Tracy and Montgomery Clift to star in MGM's "Bannon," a hardhitting drama set against the background of labor unions in the U.S.A. . . Don't forget Tuesday night is Lady's night, Wednesday night is Cash Night and Sunday night is Premium Night at your local GROVE Theater!

Tumbleweeds To Try in State Competition

Elnore Orr, La Mesa, Beverly Bratcher, Mt. Helix, Carolyn Libby, Santee, Bonnie Jean Halstrom, Lemon Grove.

The area's famed young Tumbleweeds Drill Team has been diligently preparing to enter State competition for Junior Drill Teams, which will be held in Santa Barbara on October 16.

These riders range from 10 to 15 years of age and own their own horses.

The majority of the girls live in the vicinity of Lemon Grove and Spring Valley. The team has been awarded 10 trophies this season and are busy on a money-raising project to help transport them on their coming trip and any help will be greatly appreciated.

The Tumbleweed Riding Club has a membership of 61 members and new members may be considered by applying through any active member of the club.

The drill team consists of 18 riders and is made up of first and second drill team. They are under the able leadership of Andy Anderson, coach, and Mrs. Pearl Hall, assistant coach. The team has made great strides this year toward their goal of championship. Many parents help in the capacity of Adult Advisors and their co-operation has been splendid during the year.

MESSIAH TO BE OFFERED IF ENOUGH INTEREST IS SHOWN

A presentation of Handel's Messiah is planned for December if enough singers are interested and will sign up for the Adult Education course in chorus to be offered under the direction of Harold G. Lutz who is well known locally for his work in the field of music.

No auditions are required but each member of the chorus will be expected to furnish his own copy of the Messiah vocal score. It is hoped that singers from local churches and other choral groups will join with others of the Grossmont area to make this community chorus a great success.

Wall to Replace Corriere at La Mesa Electric Works

Paul Corrier, district manager of the San Diego Gas and Electric Company's La Mesa office, is being transferred to Coronado where he served before the La Mesa assignment.

Lloyd M. Wall, former manager of the San Juan Capistrano office, and later of Coronado, will replace Corriere. Wall has been with the utility firm 33 years; Corriere, 29 years. The change will be effective October 1.

Last week I said that there would be a list of October games. Well here they are:

Oct. 1, Kearny at Helix.
Oct. 8, Lincoln at Helix.
Oct. 15, Helix at Pt. Loma, 2:30.
Oct. 22, Helix at Chula Vista.

The Helix team this year boasts such outstanding players as: Karl Jordan, Ronnie Svalstad, John Bates, Melvin Robinson, Tom Welbaum, Sonny Beyer, Tom Simmons, Pete Homan, Jim Hurst, Leo Kennison, Henry Bonilla, Gary Dunn, Ed Dobis, and Wayne Sweetwood.

These boys pack a lot of punch and it is going to be hard to stop any one of them. The team this year is working off a modified T, which has been very effective in years gone by and will be just as good in years to come. To highlight the festivities this Friday night the Helix Green and Gray Band will march with other bands from other schools. Which reminds me, tomorrow, Sept. 24, is the Football Carnival at Chula Vista at 7:30.

Next week I will introduce you to one of the football coaches at Helix whom I'm sure you will want to meet.

'Platter Parade'

By BOB TURNBULL
HO 9-3448

Welch's Wax . . . Ten big tunes lead the parade of music in the popular division this week at Welch's Record store in Lemon Grove. They go something like this: "Hey There" by Rosemary Clooney; "SH-Boom" sung to us by the Chords; "The High and the Mighty" by Mr. Leo Diamond, "The Little Shoemaker" by the Gaylords; "Skokiann." Ray Anthony; "In the Chapel by the Moonlight" vocalized by Miss Kitty Kallen; "Little Things Mean a Lot" by Kitty again; "This Ole House" by ole Rosemary Clooney; "They Were Doin' the Mambo" cleverly sung by Vaughn Monroe; and up-'n-coming "Hold my Hand" by Donald Cornell featured in the movie "Susan Slept Here."

—o—

Still Single . . . claims Johnny Welch, manager of the record shop mentioned above. Johnny has lived a fairly interesting life. We jump back to 1942 where we see Mr. Welch proudly accepting his diploma from Pt. Loma High. At Loma he earned three varsity track and two football letters. Johnny has attended State college for two years and has also played in the Bonham Brothers Boys Band (No. 4). Following State he trotted on up to the smoggy city to attend Woodbury Business College for four semesters. Before Uncle Sam beckoned him he floated into the Navy for three years and was stationed at Port Hueneme and at Guam. Johnny's physical aspects are thusly: He stands at 5 feet nine inches and tips the scales at 172. His hobby is sports and at one time he was a post office clerk. Johnny Welch's brother operates the other store next to Pt. Loma High titled "Welch's Music Store." O. K. gals, he's all yours!

GROSSMONT HIGH SCHOOL DISTRICT ATTENDANCE HITS NEW HIGH

Current enrollment at Grossmont and Helix High schools is 4615. Registration at Grossmont is 2829. Late registrations will bring enrollment up to the 2950 predicted earlier by school authorities. Helix High enrolled 1786 with anticipation of increase to 1850 in a few days.

Ten portable classrooms are being used to permit both schools to remain on single session. The completion of the El Cajon Valley High School now under construction will provide a capacity for the three high schools of the Grossmont District slightly in excess of the 5400 expected in September of 1955.

HIGH SCHOOL INSURANCE PROGRAM UNDER RE-EXAMINATION

A report prepared by a group of insurance brokers, at board request, pointed out that the present system of buying fire insurance was unwieldy and inefficient. At the present time 28 agents participate in writing some 60 separate policies for the school district.

Al Hersey, spokesman for the brokers group, said that the District should consolidate its insurance into 5 policies with five companies with one policy expiring each year. The plan proposed that the registered brokers form an association, with one broker selected from the group to function as the broker of record.

This proposal and another calling for competitive bidding will be considered by a committee of the board. The board indicated that its policy would be to get the fire insurance program under a more efficient system providing desired protection with lowest cost.

EAGLES START ANNUAL CANCER FUND DRIVE

The Fraternal Order of Eagles have launched their fifth annual Damon Runyon Memorial Fund for Cancer Research Drive.

The drive will culminate in a Damon Runyon Frolic Friday, October 15 with a ball at the Bostonia Ballroom where area Eagles and their friends will trip lightly to the music of Smokey Rogers and his band.

Presently, a $10,000 fund is now being used at Mercy Hospital on an atomic-cancer cure study.

Dr. Robert B. Pappenfort, 3446 Sweetwater Road, caught his 7 month old son John in this amusing pose to waltz away with this week's L. G. Camera Shop-L. G. Review snap-shot contest prizes.

A Rolliflex camera, XX film, a strobe light, f:22 and 1-50 exposure were used to capture the young man's amused expression.

As a result of his photographic dexterity Dr. Pappenfort wins two barbecued spare rib dinners at Pal's Cafe on Imperial Ave.; two basketburgers at the Abe Polak's Lemon Grove Drive in Restaurant on Broadway near Massachusetts; a swarzwald cake from the Swedish Bakery in the Mayfair Market, a cake baked by Bert Brolin, who is a former royal huosehold baker for King Gustav of Sweden; and two tickets to Langford's and Long's Grove Theatre, the latter having been remodeled and redecorated, and has had a new wide vision screen installed.

Dr. Pappenfort has offices at 2150 6th Ave. As in the case of this week's winner, all photographers are eligible. Any print, no matter when it was taken, or where it was processed, can win. Either the negative, or print and negative brought into the Camera Shop makes the owner eligible. There is nothing to buy or sign.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the LEMON GROVE School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 8:00 o'clock p.m. of the 11th day of October, 1954, sealed bids for the award of a contract for Classroom Cabinets for the San Miguel School, located at 7059 San Miguel Avenue, Lemon Grove, California. Such bids shall be received in the office of the Governing Board of said District located at 8025 Lincoln Street, Lemon Grove, California and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the information for bidders, the specifications, the Plans, and all other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of said board at the above address.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids, to accept or reject any one or more items of a bid, or to waive any irregularities or informalities in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

CURTAIN RISES ON "STALAG 17" AT GLOBE THEATRE

"Stalag 17," the comedy melodrama of life in a German prison camp started a four week run this week at the Globe Theatre in Balboa Park.

Cleto Fracchiola plays the part of the Brooklyn boy; Frank Davis is the clown in long underwear and Bruce McCracken is the security officer.

EASTERN STAR BENEFIT BALL TO AID CANCER FUND

The public is invited to "dance with the Stars" Saturday night at Balboa Park Club, San Diego, where members of 20 chapters of the Order of the Eastern Star in San Diego County are staging a benefit ball for the O.E.S. Cancer Relief Fund.

Mrs. James Bennett, of the Lemon Grove Chapter, has been named ticket chairman for this area. The event, which starts at 8 p.m., is part of a state-wide effort to raise money for the organization's Memorial Cancer Fund to J. Cliford Lee, late past grand patron of the State of California, O.E.S.

Tickets may be purchased from Mrs. Bennett or from the Palmer Box Office in San Diego, or at the door the night of the dance. Ed Stangler's seven-piece orchestra will provide music and entertainment.

HIGHWAY 80 TO BE PUSHED BY C. OF C.

Development of Highway 80 (El Cajon Blvd.) as San Diego's principal route to the East will be urged by the Chamber of Commerce. Directors unanimously indicated that it will be future Chamber policy to work for the development of that east-west artery.

The stand was taken in view of organized efforts to obtain development of other arteries to Imperial Valley.

A spokesman for the Chamber's Highway Committee declared that altho the need for improvement of other county roads to the east is evident "we should not lose sight of the principal objective, which is the development of Highway 80 as our main artery to the East."

Dial I for Incoropration. Dial M for Murder.

Now that Grandaughter has entered college she will probably get to be as dumb as her grandfather.

Mason again made the Los Angeles Times Home Town Flavor Column with his story of consorting with Sally Rand and Mae West at Las Vegas. We are surprised that a family man of his standing should frequent such dives. And, we never got the promised trout. Another friend of ours recently returned from that city of lost souls and lost wallets and says it should be renamed Lost Wages.

We alwayst start Sunday morning off right by listening via radio to the Salt Lake City Tabernacle Choir. The choral rendering and organ presentations are consistently the finest that we get over the air. The brevity and compelling interest of the sermons hold our attention to the end. Last Sunday the topic was on Parental Responsibility and if you missed it you missed a masterpiece.

For an instructive and spiritually satisfying half hour dial KNX at 8 a.m. Sunday morning.
